The ALSM program is a pageant mentoring program that helps young ladies prepare for the pageant stage and all stages of life.

We are thrilled that you have chosen to join us for your next stage, and we look forward to helping you succeed.

We cannot wait to bring back the basics of Pageantry and we are thrilled you have chosen to enter the ALSM State Pageant.

ALABAMA'S SOUTHERN MISS STATE AMBASSADOR

An ALSM Ambassador is a young lady who demonstrates a strong commitment to community service and a love for her fellow human and displays the characteristics of a strong leader.

Our Ambassador serves as a role model to her peers and a representative of the ALSM brand. She is responsible for working within her school and community to inspire and empower those around her to get involved in their communities.

She is a person who is known for her kindness to others, her willingness to help those around her, and her desire to be an ALSM titleholder.

There is a \$50 application fee to apply for the State Ambassador Title. The \$50 fee will be cash at registrations on pageant weekend.

All funds raised will be awarded to our New State Ambassador.

The State Ambassadors will be selected based on their application, social media, and platform and will be chosen by the State Director and other pageant staff.

Applying for the Ambassador Title does not exclude you from winning the overall State Title in your age group. If the judges select you as the new State Queen, the State Ambassador Title will then go to the State Ambassador alternate.

IMPORTANT

WALKING PATTERN

This is an example! Entrance & Exit can change depending on the venue.

The pattern is a basic T Pattern and is used for both Fun Fashion and Evening Gown.

Looking at the stage, you will enter from the right side and exit from the left side. Enter stage right, go to the first X, and stop. From there, you will follow a T pattern straight down to the second X and circle, then proceed to the third X, Fourth X, and back to the center to the fifth X. Circling back around to your last X. Remember you will stop at the left corner, center, and right corner of the stage. You do not leave the stage until the emcee says, Thank you, contestant number (?).

Contestants are not timed, but points will be deducted for walking too slowly or too fast. The average time on stage is about one minute. Anything longer than one minute is too long.

We do not practice walks during practice. We only go over crowning and production. Please practice your walks at home.

Is there an onstage question?

No, we do not have an onstage question.

Frequently Asked Questions

What if my daughter wins. Can she compete in other pageants?

Yes, our queens are allowed to compete in other pageants. We ask that our queen never compete in a system that would require them to give up their ALSM title. If you have questions about this requirement, please feel free to email us for further clarification.

Are there any additional fees?

Yes, each contestant will pay a \$100 scholarship fee. This fee is due in cash on pageant weekend. The scholarship fee will be divided between our new State Queens. Stage shots are not included in your entry fee. There is a \$50 application fee to apply for the State Ambassador. [CLICK HERE](#) for more details on the State Ambassador.

How is the order of contestants determined?

The contestant lineup is determined according to when we receive your registration and deposit. First, registration and deposit in goes last in their group. The last registration and deposit goes first in their group. Contestants will not wear contestant numbers on pageant weekend.

Does photogenic count towards your overall score?

No, photogenic is optional and will be judged by an optional panel of judges. All contestants will enter one photo for photogenic. The contestant should submit a professional headshot. Photo should be submitted in jpeg format to the State Office by April 1st to be judged. *You will not bring photos to the pageant. Email your photo to: alsmstatepageant@aol.com

Will we need a program Ad for State?

Will there be a People's Choice Contest?

Yes, the link will be shared closer to pageant time. The winner of the People's Choice contest will win half of all the money raised. The People's Choice winner can still win the Overall title in their group. The People's Choice contest is a fundraiser for the State Pageant and does not count towards the overall pageant.

Frequently Asked Questions

Do contestants stand or sit for interview?

Each contestant will stand in a 3-minute panel-style interview.

Do contestants need a resume or bio sheet?

No. Contestants will not submit a resume or bio sheet to the judges. Our judges will ask basic questions to get to know each contestant on an individual basis. We feel resumes, and bio sheets cause contestants to seem rehearsed in their answers.

If my daughter wins, is she required to complete community service?

Yes, our State queens are required and expected to complete at least three community service projects per semester = 6 total events throughout the year. We do not feel this is a lot to ask from a State titleholder. State Queens will plan and schedule their own projects, but the State Directors are here to help with ideas whenever needed.

If my daughter wins, will she receive a cash award?

Yes, please see our website for the cash award breakdown. [CLICK HERE](#)
